Summary of Statement(s):

While I was sleeping, Officer [REDACTED] sexually assaulted me. I haven't been intimate in over three (3) years and the next day I felt very open in my private area. I put some medicine between my legs and he let me know that oil was between by leaving my oil sheen on my kitchen counter. There is always some evidence left in my condo that is ~~shows~~ very apparent that he has been there.

I, [REDACTED] hereby state as follows:

1. I have read the above summary and/or attached statement(s) in its entirety, reviewed it for accuracy and been given an opportunity to make corrections and additions to the statement(s).
2. Under penalties as provided by law pursuant to 735 ILCS 5/1-109, I certify that the information set forth in the statement(s) above and/or attached summary are true and correct, except as to any matters therein stated to be on information and belief as to such matters, I certify as aforesaid that I verily believe the same to be true.

Accused: NASH, Andrew, M/1/43, DOB [REDACTED]

Allegation: R/Sgt summoned to Northwestern Hospital Emergency Room by bt. 1833 regarding a CSA. During the initial interview the complainant alleged that the offender was an off duty Chicago police officer. R/Sgt then interviewed the alleged victim with the assistance of bt. 1833 officers Cotton#13277 and Redd#11159. This is a summation of the interview and is not verbatim. The alleged victim relates that she was asleep in her bed when she heard noises in her unit. She often hears noises in her unit and assumes it is the accused. At no time did the victim see anyone in her unit. She further relates that she believes she was anally penetrated, because she is experiencing discomfort in that area. Furthermore, she did not feel anyone on top of her or actually penetrate her. Victim states that she must have been penetrated as she does not feel right in her nether regions and she hasn't had intercourse since December 27th 2008. She further relates that the accused has placed tracking devices in her phones and television to track her movements. She also has changed the locks to her unit twice to prevent unauthorized entry. Complainant relates she

does not and never did have any type of relationship with the accused and she has never seen him in her apartment.

R/Sgt briefly spoke to the attending physician Dr. Collings. This is also a summation and is not verbatim. Dr. Collings related that a rape kit would not be performed on the complainant as there is no evidence of trauma to the complainant's pelvic area. Furthermore, the Dr. is recommending a psychiatric evaluation of the complainant based upon her examination.

Subject: Interview with [REDACTED]

On today's date the Reporting Sergeant along with Sergeant BARZ interviewed the complainant at Chicago Police Headquarters regarding her complaint.

[REDACTED] attested to an affidavit that summarily stated that while she was sleeping in her apartment located at [REDACTED], on 28 DEC 2011 between the hours of 10:30 pm and 1:00 am the accused, Police Officer Andre Nash sexually assaulted her.

[REDACTED] related that she has no alternate telephone numbers because Andre Nash snuck into her apartment and put water in her cell phone. Additionally the complainant related that her home phone was tapped because her co workers would repeat conversations she had over the phone to her and that this whole thing is over the person in yellow.

[REDACTED] stated her coworkers, [REDACTED], [REDACTED] and [REDACTED] come into her apartment at night when she is sleeping because they know the type of personal hygiene products that [REDACTED] uses. [REDACTED] stated this whole thing started when she had a brief affair with a man she knows as " [REDACTED]" but his real name is [REDACTED]. [REDACTED] stated [REDACTED] is a cousin of " [REDACTED]" because they wear the same clothes.

[REDACTED] stated on 28 DEC 2012 she went to sleep after the lottery around 9:30 – 10pm. [REDACTED] stated she locked her door and latched it before she went to bed. [REDACTED] stated she also has an ADT alarm system, but stopped using the system because it was always going off. [REDACTED] stated she knew NASH was in her apartment because he leaves blue and white crumbs around her apartment or car. [REDACTED] stated NASH always rolls up her pant leg on her pants while she is sleeping, so she will know it is him that was in the apartment. [REDACTED] stated NASH will also leave drops of oil on her kitchen counter which is another indicator that it was NASH who was in her apartment.

[REDACTED] stated she did not see anyone in her apartment on the 28th but heard the interior door latch. [REDACTED] stated she did not feel anyone on top of her or penetrating her. [REDACTED] stated the next day she felt "open" down in her genital area and believed something happened. [REDACTED] stated she cannot say for sure if the people who come in her apartment at night are women or men. [REDACTED] stated she does not consume

alcohol and takes medication for [REDACTED]

[REDACTED] stated she met NASH on July 3, 2010 after she called the janitor in her building and asked him who the police officer was that lived in the building. [REDACTED] related she wanted to meet NASH to tell him about the problem she having of someone leaving objects and evidence in her apartment and wanted to ask NASH for his help.

[REDACTED] stated she wrote a letter on a business card with green lace and left it for NASH to contact her. [REDACTED] stated NASH called her and when she related her problem, he advised the complainant to change her locks, and so she did. [REDACTED] stated she only met NASH one time outside the apartment building and it was brief conversation. [REDACTED] stated she never dated NASH but wrote to him a couple times.

[REDACTED] stated she works for the CTA pension board and has for the past 25 years. [REDACTED] stated NASH calls her at work and pretends to be an employee asking questions about their pension. [REDACTED] stated that she would receive several calls from (630) and (708) area codes at her place of employment. [REDACTED] believes these phone calls are Officer NASH and pretending to ask pension questions. [REDACTED] related she knows the person calling is NASH because he has a clear voice.

[REDACTED] stated NASH leaves crumbs and oil by her garbage can and watches Yo Gabba Gabba. (A television show) [REDACTED] stated NASH also left a card from her dentist office in her purse. INVESTIGATION:

On 29 DEC 2011, the Sergeant Robert McDONALD # 1312, assigned to the 18th district responded to Northwestern Hospital Emergency Room for a Criminal Sexual Assault. Beat 1833, Officer COTTON # 13277 and Officer REDD # 11159 responded to the hospital and were told by the complainant, [REDACTED] that she was sexually assaulted by an off duty Chicago Police Officer, Andre NASH.

Sergeant McDONALD interviewed [REDACTED] who related in summary that she was asleep in her bed when she heard noises in her apartment and felt discomfort in her anal area. [REDACTED] related she often hears noises in her apartment and assumes it is the accused, NASH. [REDACTED] related she did not see anyone in her unit and did not feel anyone on top of her but felt that she must have been penetrated because she does not feel right.

[REDACTED] related she has not had sexual intercourse since December 27, 2008. [REDACTED] told Sergeant McDONALD that Officer NASH has placed electronic devices in her phones and television to track her movements. [REDACTED] stated that she has changed the locks on her apartment to prevent unauthorized entry. [REDACTED] stated she has never seen Officer NASH in her apartment.

[REDACTED] was examined by Dr. COLLINGS who related there was no evidence of trauma to the complainant's pelvic area and did not perform a CSA kit. Dr. COLLINGS recommended a psychiatric evaluation for [REDACTED]

A subsequent criminal case report was filed on behalf of [REDACTED] under RD [REDACTED] The criminal case was assigned to the Area One Detective Division, Detective Dwayne DAVIS. Det. DAVIS interviewed the Officer NASH on 31 DEC 2011. NASH related in the summer 2010 he began receiving notes and letters from [REDACTED] who lived in the same apartment building as NASH. NASH stated he was not acquainted with [REDACTED] and became concerned about the notes and letters [REDACTED] left for him and subsequently made a case report under RD [REDACTED] to document the unsolicited communication from [REDACTED]

Detective DAVIS interviewed [REDACTED] on 04 JAN 2012 and summarily gave the same account that she related to Sergeant McDONALD. [REDACTED] was unable to explain how someone could have entered her apartment with the doors locked. [REDACTED] stated to Det. DAVIS that Officer NASH has been harassing her since 05 DEC 2008. [REDACTED] stated NASH enters her apartment every night while she is sleeping and leaves rubber bands or bobby pins so [REDACTED] knows that NASH was there. [REDACTED] stated she has changed her locks and at one time had cameras set up in her apartment but was not able to capture NASH entering her apartment.

[REDACTED] stated she first learned NASH lived in her building in 2010 when she observed in back of the building. [REDACTED] stated NASH lives on the third floor, room 309.

████████ stated she wrote to NASH in the hopes that he could assist her with unwanted people coming into her apartment. ██████ stated NASH suggested she change her locks but he never would come to her apartment to take a look.

Det. DAVIS unfounded the case based on the fact the victim did not see or feel anyone sexually assault her and the fact the victim related her door was locked when she woke up. Additionally, Det. DAVIS believed ██████ had imagined the entire the incident.

On 11 JAN 2012 the Reporting Sergeant along with Sergeant BARZ interviewed the complainant at Chicago Police Headquarters regarding her complaint. ██████ attested to an affidavit that summarily stated that while she was sleeping in her apartment located at ██████ on 28 /29 DEC 2011 between the hours of 10:30 pm and 1:00 am the accused, Police Officer Andre Nash sexually assaulted her.

████████ stated that she has no alternate telephone numbers because Andre Nash snuck into her apartment and put water in her cell phone. Additionally the complainant related that her home phone was tapped because her co workers would repeat conversations she had over the phone to her. ██████ related this whole thing is over the person in yellow but did not expound on the identity of the person in yellow.

████████ stated her coworkers, ██████ T, ██████ and ██████ come into her apartment at night when she is sleeping because they know the type of personal hygiene products that ██████ uses. ██████ stated this whole thing started when she had a brief affair with a man she knows as "████████" but his real name is ██████ ██████ ██████ stated ██████ is a cousin of ██████ because they wear the same clothes.

████████ stated on 28 DEC 2012 she went to sleep after the lottery around 9:30 – 10pm. ██████ stated she locked her door and latched it before she went to bed. ██████ stated she also has an ADT alarm system, but stopped using the system because it was always going off. ██████ stated she knew NASH was in her apartment because he leaves blue and white crumbs around her apartment or personal vehicle.

████████ stated NASH always rolls up the pant leg of her pajama pants while she is sleeping, so she will know it is him that was in the apartment. ██████ stated NASH will also leave drops of oil on her kitchen counter which is another indicator that it was NASH who was in her apartment.

████████ stated she did not see anyone in her apartment on the 28th / 29th but heard the interior door latch. ██████ stated she did not feel anyone on top of her or penetrating her. ██████ stated the next day she felt "open" down in her genital area and believed something happened. ██████ stated she cannot say for sure if the people who come in her apartment at night are women or men. ██████ stated she does not consume alcohol and takes medication for asthma to wit, Cingular Advair, Pro-Air inhaler and Allegra.

████████ stated she met NASH on July 3, 2010 after she called the janitor in her building and asked him who the police officer was that lived in the building. █████ related she wanted to meet NASH to tell him about the problem she having of someone leaving objects and evidence in her apartment and wanted to ask NASH for his help.

████████ S stated she wrote a letter on a business card with green lace and left it for NASH to contact her. █████ stated NASH called her and when she related her problem, he advised the complainant to change her locks, and so she did. █████ stated she only met NASH one time outside the apartment building and it was brief conversation. █████ stated she never dated NASH but wrote to him a couple times.

████████ S stated she works for the CTA pension board and has for the past 25 years. █████ S stated NASH calls her at work and pretends to be an employee asking questions about their pension. █████ stated that she would receive several calls from (630) and (708) area codes at her place of employment. █████ believes these phone calls are Officer NASH and pretending to ask pension questions. █████ related she knows the person calling is NASH because he has a clear voice.

████████ S stated NASH leaves crumbs and oil by her garbage can and watches Yo Gabba Gabba. (A television show) █████ stated NASH also left a card from her dentist office in her purse. █████ stated she feels better now that she has talked to someone and hopes that people will stop finding a way into her apartment and messing with her stuff.

It should be noted that during the interview, when █████ related what happened to her, she talked to towards an empty chair in the conference room and barely made any eye contact with the Reporting Sergeant or Sergeant BARZ. It appeared as if █████ S was explaining the incidences to someone else in the room, even though the Reporting Sergeant was asking her questions.

The Reporting Sergeant queried HT █████ and verified the report made by Andre NASH against █████. Officer NASH reported he had received written notes and letters from an individual that he is not acquainted with, █████. NASH related the continuous attempts by █████ to contact him raised concerns for his safety and he filed a report. The case was subsequently suspended and NASH was advised if he wanted to take any further action, to obtain a summons.

After reviewing all reports and interviews, the Reporting Sergeant recommends this case be unfounded. It is clear after interviewing █████; she had no reasonable explanation for the incidents she related were occurring in her apartment. Interviews conducted by the Detective Division revealed the victim had never seen Officer NASH in her apartment and provided no evidence to substantiate her allegations. █████ believed Officer NASH, along with co-workers and other persons keep finding a way into her apartment despite █████ changing the locks and installing an alarm and cameras.

Based on the statements [REDACTED] made to both Det. DAVIS and the Reporting Sergeant, it is difficult to rely on the mental competency of the victim. Officer NASH has previous documentation that established he was not acquainted with the victim other than the fact they lived in the same apartment complex.

[REDACTED] had no contact information for any witnesses because she stated Officer NASH tampered with all her phones at home and at work. The Reporting Sergeant determined that serving allegations to the Officer NASH based on [REDACTED] statements is not required. Officer NASH denied any involvement to Area One Detective Division and the Reporting Sergeant concurs with the Detective Division's assessment to unfound the case.
